29 COMES NOW the defendant, MIGUEL ANGEL MARQUEZ-MARTINEZ by
30 and through his counsel of record, Martin G. Molina, and hereby requests this Court to
31 order United States Probation to produce all records relevant to the allegations of non-
32 compliance. The United States does not oppose this motion.

33 Specifically, the defense requests (1) all records of attendance to drug treatment
34 counseling at Career and Recovery Resources, Inc. during the months of June and July

1 of 2018; and (2) all records of submissions to drug testing at Career and Recovery
2 Resources, Inc. and at the halfway house during the months of June and July of 2018.
3 These records are relevant to the case as the allegations charge the defendant with failing
4 to comply with drug testing requirements and with failing to attend drug treatment
5 counseling on a number of specified dates.
